

Team Harakeke Home Learning Support

- The purpose of this resource pack is to provide families with access to some learning at home. There are a mix of digital and paper based activities.
- There is no expectation on what gets completed or any due dates.
- Along with any work students complete we also encourage them to read regularly.
- Students are welcome to email their teacher for any help they may need as well as to share any digital work completed.

Room 8 Name:

Teachers email damian.young@chcheast.school.nz
michael.davidson@chcheast.school.nz
nicola.lowson@chcheast.school.nz
anton.baker@chcheast.school.nz

Google Drive account:

- All Year 3 to 5 students have a school gmail account.
- This is only to be used for educational purposes but does allow students to share any work with their teachers
